

Dear Supporter,

Thank you for your enquiry! Do you want to enjoy the exhilarating and unforgettable feeling of a skydive, flying through the clouds from over 10, 000 ft at up to 120mph?! We are looking for thrill-seeking fundraisers from all over the country to take on a sponsored freefall parachute jump on our behalf whilst raising invaluable funds for our cause!

All you need to do is raise £395 (£450 in Scotland and Northern Ireland) in sponsorship money in order to take part and in return we will receive an average donation of £140 with everything you raise above your minimum target coming directly to us too!

Tameside, Oldham & Glossop Mind is a registered charity which works within the local community to achieve better mental health within our 3 boroughs. We've been your local mental health charity for the last 40 years and thanks to your fundraising efforts, you are helping us continue to provide mental health services in prevention, early intervention and primary care. We want to support our communities and the people in them to lead their best possible life.

Everything you need is enclosed in this pack including your sponsorship forms and we've made everything as easy as possible for you to take part.

The enclosed information has been written by professional events organisers Skyline who receive a flat rate per jumper for organising the jumps for us. Skyline specialise in organising fundraising events for charities so if you have any questions please ring them directly as they are in the best position to answer your questions - you can contact them on 020 7424 5522.

We sincerely hope that after you have read through this information pack you will decide to give it a go. Your help and fundraising is vital in helping us continue our work and don't forget, all you have to do is raise the minimum amount of sponsorship and you will get to jump for free!

Good luck with raising your sponsorship and we look forward to hearing from you soon.

Yours Faithfully,  
Tameside, Oldham and Glossop Mind

## What is it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 ft - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

## What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than a solo jump as the jump and training are completed in one day and your instructor will be in control of your landing.

- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 ft - just like the professionals
- Freefall down to 5,000 ft - falling through the air at 120 mph!

## What must I do to qualify for a free jump?

# PAYING YOUR SPONSORSHIP MONEY

## Tandem Skydive

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. At all airfields your jump and training costs must be covered on the day, this can be with cash or card unless you have an online donation page which you have informed us of. Your money to charity is not due until four weeks after you have completed your jump but if you have raised funds offline you will be asked to provide a post-dated cheque at the airfield. Remember, as long as you raise the minimum sponsorship level for your jump (£395\* for a tandem jump), you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

*\* For airfields based in Scotland and Northern Ireland the minimum sponsorship level for a tandem skydive is £450*

## Booking Deposit

Whichever airfield you jump at you must provide the standard £70 booking deposit which must be paid in advance but can be taken out of the minimum sponsorship that you raise (with offline funds, once you have reached your target.)

## Tandem Skydive

Payment for your jump will be required on the day which varies from airfield to airfield but is generally between £190-£230. You must also provide the remaining sponsorship money due to the charity but this can be post-dated by up to four weeks. This post-dated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to the charity. Precise instructions on how to operate the above system (including how much to pay your local airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your online booking and booking deposit.

**NOTE:** We cannot start organising your jump for you until you make your booking - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!
