Job Advert

Job Title: **Social Worker, Community Mental Health Area Team (North West)**
Hours: **37 per week**
Salary: **£32,233.00 + 5% pension contribution**
Annual Leave: **28 days + bank holidays**

Manchester Mind works in partnership with Greater Manchester Mental Health Trust to deliver a service. The post-holder will work within an integrated, multi-disciplinary team with staff employed both by Manchester Mind and the Trust in order to provide an innovative service to adults with Mental health needs.

As a Social Worker you will be a crucial member of the team. If successful, you would be expected to proactively support and care co-ordinate a caseload of service users with severe mental health problems and complex needs; to implement and record care plans and risk assessments and review them in collaboration with service users; to support an approach to the delivery of care with an ethos of team work, providing both specialist and generic interventions and act as a skill resource for the rest of the team; to liaise with and provide support to carers; to liaise with other statutory and non-statutory agencies to ensure a comprehensive package of care is provided and to ensure that the service user is included in all decision making about their life.

Application documents can be downloaded from the Vacancies page of the Manchester Mind website.

The deadline for submission of applications is **9am, Monday 8th October 2018**.

Manchester Mind is striving to be an equal opportunities employer and welcomes applications from all sections of the community. Manchester Mind sees it as a positive advantage if you have experience of mental health issues and/or have used mental health services.
